CHURCH OF THE INCARNATION
UNIVERSITY OF DALLAS

I. GREETINGS

Greetings to all members of the University of Dallas (UD) family!
Indeed, greetings to all the students, parents and grandparents of

and programming of ministries to the people of God, especially the UD students. As your spiritual father, I pray you will say yes to my appeal by helping me raise the funds for this sacred ministry.

IV. CHURCH FINANCES

As the chaplain of the University of Dallas, Jesus calls me to be a faithful and prudent financial administrator of the university Church of the Incarnation. This, of course, involves developing an

Mary. The closing date will be Tuesday, March 25, 2025, the So-

Masses at 12:05 PM, 5:00 PM, and 7:00 PM for the opening and
closing of the campaign. I will also be offering a Rosary daily on
my podcast for the campaign. Please join me. Here is my podcast:

yes to her Divine Maternity, began the greatest campaign of charity
ever in human history.

At the same time, the Son of God alone, by His perfect act of love,
His perfect yes, completed this campaign for human beings by of-
fering Himself sacrificially on the cross for them. Indeed, He alone
suffered and died as man for their redemption. As He says in the
Gospel, there is no greater love that He can have for His friends than
to offer His life for them as a sacrifice. In this act, as the Redeemer,
He completed the greatest campaign of charity inaugurated by His
Virgin Mother.

Accordingly, dear friends, I hope you will honor the holy memory
of this campaign of Mary and Jesus by saying yes to the *Fiat Cam-
paign*. Your yes would mean donating to the church as an act of
charity. In doing so, you would help the church raise the funds to
pay for staffing and programming. The fundraising goal for this first
Fiat Campaign is \$50,000 - \$100,000.

VI. GRATITUDE

After beginning my chaplaincy, I learned that many of you have
already been donating to the Church of the Incarnation for many
years. As such, at this time, I will briefly offer you a message of
gratitude to honor your charity.

First of all, I offer this message of gratitude to all the Roman Catholic laity, including the students, family members of students, alumni, faculty, staff, and friends of the Church of the Incarnation and of UD. Your regular donations annually, as Sunday offerings

commemorate the greatest campaign of charity in human history, the campaign of Mother and Son, by offering your fiat, your act of charity, to this fundraiser. Thank you for your consideration.

In Christ with Blessed Mary,

Friar Mariano D. Veliz, O.P., *Chaplain*
